

BELTON INTERNATIONAL HORSE TRIALS

We are devastated at the loss of Belton International Horse Trials. Belton has been a key fixture for many riders in the lead up to Badminton and hosts one of the best 4* international classes in the country. BEDE Events have run the event for the past 15 years and seen the event grow to become the major Spring event.

This decision was announced to us yesterday and came as a shock to the whole team. We were unaware that the future of the horse trials was in jeopardy.

Belton Horse Trials has run at Belton Park for 40 years, it was set up by Lord Brownlow prior to the National Trust taking over the ownership of the park. 2020 would have marked our 40th anniversary and we had already started plans to mark this milestone.

We are presently looking for a new venue to host this prestigious event.
