

BEDE EVENTS

New venue awarded international fixture: Thoresby Park to replace Belton Horse Trials event from 2020.

BEDE Events is delighted to have been awarded the running of this prestigious 2, 3, 4 star event at Thoresby Park near Newark in Nottinghamshire, Friday 3rd to Sunday 5th April.

Stuart Buntine, Director of BEDE, commented; "We are delighted to have 'Belton' back and look forward to taking it to further heights at Thoresby. We thank British Eventing for their confidence in the BEDE team and are well into planning mode for this great new venue."

Helen Eshelby, Outdoor Events Manager at Thoresby Park, commented; " We look forward to welcoming the international riders in April 2020 and working with Stuart, Anna and the BEDE Events team on the horse trials for many years to come."

Thoresby offers huge opportunities to grow and develop the event and continue to offer world class equestrian sport alongside a fun-filled day of family entertainment. The ground at Thoresby is free draining sandy soil, which is ideal for running a fixture at this time in the calendar.

BEDE look forward to working with all their partners to help grow and deliver a positive event, building on the success of the past 15 years running Belton Horse Trials
