

SHELFORD HORSE TRIALS 29TH – 31ST AUGUST 2020

Dear all

Thank you all so much for your really generous offers of help, it is wonderful to have such a great team around us at these uncertain times. We are drawing together our COVID19 policies, but these are changing daily. The main message that came across from BE when we spoke to them yesterday were 3 main things:

- No congregating in groups of more than 6 people
- Maintain social distancing
- Wash your hands regularly.

I will post our policies on our website and will keep updating these as they change through the next few weeks.

I have drafted a provisional deployment. Once entries are in by next Wednesday I will firm this up and get it out to you with timings. If I have given you a role you really would not like to do, please do let me know and I can move people around, it is no problem but please let me know as soon as possible.

The main changes to “normal” we have had to make are as follows:

- Please could you bring all your own food and refreshments, we are sadly not able to provide any food and drink, as it creates a high risk of contamination.
- All equipment for your role will be available from us as normal, but we would ask, if you have it, to bring as much of your own as possible. Again this will keep you safer. If you have clipboards, pens, whistles etc you can bring it would be preferable.
- On arrival, fence judges will be directed to an area where you will be handed your score books etc and directed straight to your fence. There will be no briefing on the day, but we will have a link to a Utube briefing that has been produced by BE, which will be sent to you and we would ask that you watch this prior to arrival.
- For other roles, if you are working in the dressage area, you will need to enter by the horse box entrance, and I will email you passes that you will need to print off and display in your windscreen.
- For Show Jumping officials, please park in the car park and go straight to the show jumping arena where your equipment will be in place for you.

The main thing is that we all stay safe and have a fun and enjoyable weekend of great sport. Once again, massive thanks and very best wishes, we will stay in touch and no doubt bombard you with emails for the next couple of weeks.

With very many thanks

Anna
