

Dear all

Massive apologies this is so late coming out to you, a few more technical issues!!!

Anyway, onward and upward! Oasby is very fast approaching! Let's hope this mild, sunny weather continues! In any event, do come equipped for all weathers, you all know Oasby is a place of many characters weatherwise! Also, if I can remind you just to try to remember your mugs, so we can keep them topped up with hot drinks, and water bottles if you would rather have cold drinks. I am trying to outlaw small water bottles but will have plenty of large ones, and refill bottles!

Please do log in and check what I have given you to do at Oasby. PLEASE NOTE THE TIMINGS ARE REPORT TIMES NOT START OF COMPETITION TIMES! If I have it wrong, please do email me straight back and I can sort it out. If you have already gone in and accepted your role, please do go back and check I haven't moved you! The deployments shouldn't be showing before I have confirmed them, as I keep moving you all around!!! If you do reject your role (which is fine!) do add the note, to let me know why! The link to log in is here

<https://bede-events.bluewren.software/login>

Do let me know any issues you find, hopefully none!

Once again, a MASSIVE thanks to you all, all your help and assistance is greatly appreciated. We very much look forward to seeing you all fresh for the New Season!

With thanks and very best wishes

Anna and all at Team BEDE
