

How to Qualify for the British 5 YO championships at Osberton

In 2021 the 5yo Championships will run as a CCI1* competition. All riders and horses will need to be qualified under FEI rules to compete. Please note that you will need to ensure that you are qualified to do so.

Qualifications to compete in a CCI1* are the completion of x3 BE 100 classes.

The MER standard is achieved by completing a competition with:

- no more than 50 dressage penalties,
- no more than 16 show jumping penalties,
- 0 cross country jumping penalties and no more than 30 cross country time penalties.

Where 'multiple' MERs are required by the GBR NF, a Competitor may satisfy one of these 'multiple' requirements by relying on 'a 20 penalty round' as a qualifying round. See Rule 2.9.4.2 and Annex 2 of the BE Rules and Members' Handbook.

Horses must also qualify via the British Eventing 5YO classes held across the country at the following venues
