

WHEELED VEHICLES ON EVENT SITES

Thoresby & Osberton

The use of public ATV's or other motorised bikes or scooters is only allowed on the event site **with the organiser's permission**. Users of electric mobility scooters do so at their own risk, and we advise that you should be insured. If in doubt, please come to the event office for instructions as to routes and access. Please ensure you are familiar with all controls on your vehicle before setting off around the event site. Please be aware of pedestrians and travel only at walking speed when in crowded areas.

Wheeled vehicles (scooters, bicycles, pushchairs) should not be taken into any collecting ring at any time and should be kept away from all horse-walks. No wheeled vehicles are allowed on the cross-country course except at designated crossing points, please be aware of horses travelling at speed.

Please be aware that the ground is uneven throughout the site and appropriate care should be taken when moving around the event.

Site and Event specific details are available from the Event Office.
